Personalised Care, Optimal Outcomes

Purpose

We provide personalised care with optimal outcomes

Vision

To be the first choice provider in Private Healthcare in Gippsland

Strategic Objectives

Governance

We are accountable for maintaining high standards of corporate, financial and clinical governance.

Our People

We build strong and sustainable relationships with our people, providers and community partners. We are seen as facility of choice for delivering quality health care services.

Our Community

We provide access to a range of health services, empower our community and deliver optimal health outcomes.

Growth

We explore new opportunities for the introduction of new health programs to meet the needs of our community, increasing the growth of our services.

Sustainability

We challenge the 'norms', update systems/policies/procedures reflecting best practice enhancing organisational efficiency, care delivery and financial improvement
